

Med-Arbitration Conversion Agreement

Med-Arbitration is a form of dispute resolution that combines the self-determination of mediation with the finality of arbitration. In the initial stage of a Med-Arbitration proceeding, the parties attempt to reach a voluntary settlement through negotiation that is facilitated by a single, neutral Med-Arbitrator. If settlement is not reached, the parties are given a full and fair hearing by the same Med-Arbitrator. After considering the evidence and testimony presented, the Med-Arbitrator shall render a simple written decision which is binding on the parties.

Parties hereby agree jointly convert their COMA Mediation Case # to Med-Arbitration.
